### PASSENGER INFORMATION

#### RESERVATIONS

It is advisable to make your reservations well in advance through your appointed Travel Agent, or E.A.A. Booking Office. We cannot guarantee reservation of specific seats, although at terminal stations every effort will be made to meet your preferences.

#### YOUR TICKET AND CONDITIONS OF CONTRACT

Your ticket is issued subject to these Regulations and to our General Conditions of Carriage of Passengers and Baggage. These conditions are available in all E.A.A. offices and extracts can be found in your ticket.

#### RETURN AND ONWARD BOOKINGS

You are requested to check your return journey and onward reservations as soon as possible after your arrival at destination or transfer point, particularly attendance and departure times.

#### STOPOVERS

You may break your journey at one or more places en route and retain the benefit of the through fare, except where precluded by Government regulations, or on some Excursion Fares, provided notice is given before commencing the journey.

#### CHILDREN AND INFANTS

An infant under two accompanied by an adult, and not occupying a seat, is charged 10 per cent of the normal First, Tourist or Coach Class fare. Additional infants under two accompanying the same adult, an infant under two occupying a separate seat, and children of two years and over, who have not yet reached their twelfth birthday, are charged 50 per cent of the normal First, Tourist or Coach Class adult fare. Age is taken at the beginning of the outward journey.

#### PASSPORT, IMMIGRATION AND HEALTH REGULATIONS

Any E.A.A. or Travel Agents' office will gladly advise you of the requirements of your journey.

#### BAGGAGE

Free allowance on First Class services is 30 kilos (66 lbs.). On Tourist and Coach Class services it is 20 kilos (44 lbs.). Passengers travelling part-way on First Class and part-way on Tourist Class, are given the free allowance applicable to the class of travel used.

However, when First Class fare has been paid and a Tourist Class service is used as part of a through journey, the First Class baggage allowance may be carried over that sector, without additional charge. Personal articles, such as a lady's handbag, an overcoat or wrap, a footrug, an umbrella or walking stick, a small camera, binoculars, infant's food for flight and carrying basket and reading matter for the flight may be carried free. Brief cases, cabin bags, attache cases, parcels, typewriters and heavy cameras are weighed as part of your free allowance. If this is exceeded you become liable to excess charges.

Details of excess baggage charges and excess value charges (valuable baggage) can be obtained from any E.A.A. or Travel Agents' office.

#### YOUR DEPARTURE

It is essential to attend at the departure terminal or airport not later than the time advised. This allows the minimum time to complete all formalities. Flights cannot be delayed for passengers arriving late and we cannot accept responsibility in such cases.

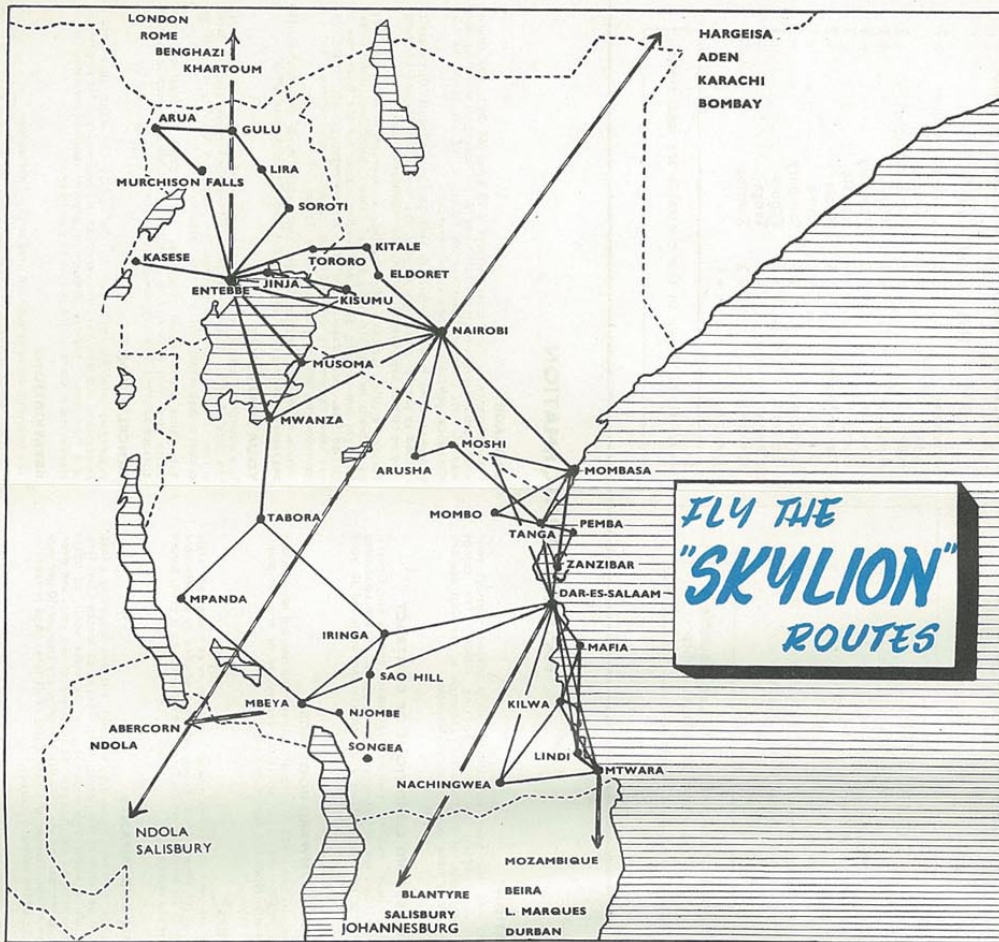

Attendance times should always be checked prior to departure date. These times vary according to the type of aircraft and according to the distance between Town Terminal and Airport.

#### CANCELLATIONS

Passengers who do not travel on the service for which they hold a reservation, and who have not cancelled in advance, are liable to payment of a "no-show" charge. Refund of fare for reservations cancelled or transferred at short notice cannot be guaranteed.

# EAST AFRICAN AIRWAYS offer Special Excursion and Concession fares over their domestic network of routes.

**BUSINESS EXCURSIONS.** The businessman can take advantage of considerably reduced fares between many points within East Africa. In many cases the Business Excursion Fare is little more than the normal one way fare for a return journey.

**HOLIDAY EXCURSIONS.** The holidaymaker can make the 'Flying Holiday' a practical proposition with the specially reduced Holiday Excursion Fare.

**FAMILY TRAVEL PLAN.** The family man can take advantage of this special concession fare and save considerably. Father pays normal return whilst Mother pays single fare for return journey. Corresponding reductions are given to children. This concession is also available on Regional services between East and Central Africa.

**STUDENTS' CONCESSIONS.** Students travelling between home and school qualify for special rebates. This applies also to International and Regional services. There are also special school children's fares applicable over certain domestic routes.

**SPORTSMEN'S CONCESSIONS.** Sportsmen's fares are available and in most cases amount to the single fare only for the return journey. Special concessions for sportsmen are also available on Regional services between East and Central Africa for a group of six or more.

**ALL-INCLUSIVE HOLIDAYS.** East African Airways offer a comprehensive choice of All-Inclusive Holidays to seaside resorts, fishing clubs and game reserves.

MALINDI and MOMBASA — Swimming, surfing, goggling and fishing.

MAFIA — Deep Sea Big Game Fishing.

Queen Elizabeth and Murchison Falls National Parks — These are the big game photographer's paradise.

Details of these and other All-Inclusive Holidays can be obtained from any E.A.A. Sales Office or Travel Agent.

On business or for pleasure fly the "Skylion" routes
