Advice**

We advise you to

- Save money by purchasing all tickets for your journey before departure.
- See your EAA APPOINTED TRAVEL AGENT. He is there to help and will offer you complete trip planning advice at no extra cost.
- Let us know your contact address or telephone number up to departure time.
- Book your hotel accommodation at destination well in advance and check if accommodation will be provided at transfer points.
- Pack all you need during flight in a small cabin bag. All other articles should be packed in registered baggage, one case containing all that is required at night-stops.
- Keep your Cabin baggage to a minimum.
- Carry your Passport, Health Certificate and Currency with you. Do not pack them.
- Carry any valuables, such as jewellery, personally whenever possible.
- Check the "Message Board" on arrival. If friends are meeting you, give them your service and flight number.
- Check your return journey and onward reservations as soon as possible after your arrival at destination or transfer point, particularly attendance and departure times.

PASSENGER INFORMATION

RESERVATIONS

It is advisable to make your reservations well in advance through your appointed Travel Agent, or E.A.A. Booking Office. We cannot guarantee reservation of specific seats, although at terminal stations every effort will be made to meet your preferences.

YOUR TICKET AND CONDITIONS OF CONTRACT

Your ticket is issued subject to these Regulations and to our General Conditions of Carriage of Passengers and Baggage. These conditions are available in all E.A.A. offices and extracts can be found in your ticket.

RETURN AND ONWARD BOOKINGS

You are requested to check your return journey and onward reservations as soon as possible after your arrival at destination or transfer point, particularly attendance and departure times.

STOPOVERS

You may break your journey at one or more places en route and retain the benefit of the through fare, except where precluded by Government regulations, or on some Excursion Fares, provided notice is given before commencing the journey.

CHILDREN AND INFANTS

An infant under two accompanied by an adult, and not occupying a seat, is charged 10 per cent of the normal First, Tourist, Economy or Sky Coach Class fare. Additional infants under two accompanying the same adult, an infant under two occupying a separate seat, and children of two years and over, who have not yet reached their twelfth birthday, are charged 50 per cent of the normal First, Tourist, Economy or Sky Coach Class adult fare. Age is taken at the beginning of the outward journey.

PASSPORT, IMMIGRATION AND HEALTH REGULATIONS

Any E.A.A. or Travel Agents' office will gladly advise you of the requirements of your journey.

BAGGAGE

Free allowance on First Class service is 30 kilos (66 lb.) On Tourist and Economy Class services it is 20 kilos (44 lb.) On Sky Coach Class it is 15 kilos (33 lb.) Passengers travelling part-way on First Class and part-way on Tourist Class, are given the free allowance applicable to the class of travel used.

However, when First Class fare has been paid and a Tourist Class service is used as part of a through journey, the First Class baggage allowance may be carried over that sector, without additional charge. Personal articles, such as a lady's handbag, an overcoat or wrap, a footrug, an umbrella or walking stick, a small camera, binoculars, infant's food for flight and carrying basket and reading matter for the flight may be carried free. Brief cases, cabin bags, attache cases, parcels, typewriters and heavy cameras are weighed as part of your free allowance. If this is exceeded you become liable to excess charges.

Details of excess baggage charges and excess value charges (valuable baggage) can be obtained from any E.A.A. or Travel Agents' office.

YOUR DEPARTURE

It is essential to attend at the departure terminal or airport not later than the time advised. This allows the minimum time to complete all formalities. Flights cannot be delayed for passengers arriving late and we cannot accept responsibility in such cases.

Attendance times should always be checked prior to departure date. These times vary according to the type of aircraft and according to the distance between Town Terminal and Airport.

CANCELLATIONS

Passengers who do not travel on the service for which they hold a reservation, and who have not cancelled in advance, are liable to payment of a "no-show" charge. Refund of fare for reservations cancelled or transferred at short notice cannot be guaranteed.

EAA EXCURSIONS

<p>Family Travel Plan. The family man can take advantage of this special concession fare and save considerably. Father pays normal return whilst Mother pays single fare for return journey. Corresponding reductions are given to children. This concession is also available on Regional services between East and Central Africa.</p>	<p>Big Game Queen Elizabeth, Murchison Falls and Serengeti Game Parks are among exciting excursions offered by EAA. The first includes 3 nights at the lodge, the 2nd 3 nights at the lodge and the 3rd an all-inclusive day excursion. These are cheap and comfortable ways of seeing the big game and bird life that East Africa has to offer.</p>	<p>Sport Sportsmen's Concession fares are available and in most cases amount to the single fare only for the return journey. Special concessions for sportsmen are also available on Regional services between East and Central Africa for a group of six or more persons.</p>
<p>Holidays EAA offer a comprehensive choice of all-inclusive holidays to Mombasa and Malindi, where swimming, surfing, goggling and fishing are unsurpassed.</p>	<p>Businessmen For the quick trip, business excursion fares are little more than the single fare for the return flight. It's far faster, less tiring, more comfortable and much cheaper than driving! Business excursions are valid only for the number of days indicated, which includes both days of departure and return.</p>	<p>Credit Travel Only 10% deposit is required for any flight by East African Airways, which will enable you to fly now and pay later, with easy repayment terms for the balance of the fare. An EAA AIR TRAVEL CARD can be obtained, too. This entitled you to an air ticket to any East African destination on demand.</p>
