## TRAVEL ADVICE

### Some recommendations

- Save money by purchasing all tickets for your journey before departure.
- See your EAA-APPOINTED TRAVEL AGENT. He is there to help and will offer you complete trip planning advice at no extra cost.
- Let us know your contact address or telephone number up to departure time.
- Book your hotel accommodation at destination well in advance and check if accommodation will be provided at transfer points.
- Pack all you need during flight in a small cabin bag. All other articles should be packed in registered baggage, one case containing all that is required at night-stops.
- Keep your Cabin baggage to a minimum.
- Carry your Passport, Health Certificate and Currency with you. Do not pack them.
- Carry any valuables, such as jewellery, personally whenever possible.
- Check the "Message Board" on arrival. If friends are meeting you, give them your service and flight number.

The information contained in this timetable is subject to alteration without notice. All times shown are local times.

## PASSENGER INFORMATION

### YOUR TICKET AND CONDITIONS OF CONTRACT

Your ticket is issued subject to these Regulations and to our General Conditions of Carriage of Passengers and Baggage. These conditions are available in all E.A.A. offices and extracts can be found in your ticket.

### RETURN AND ONWARD BOOKINGS

You are requested to check your return journey and onward reservations as soon as possible after your arrival at destination or transfer point, particularly attendance and departure times.

### STOPOVERS

You may break your journey at one or more places en route and retain the benefit of the through fare, except where precluded by Government regulations, or on some Excursion Fares, provided notice is given before commencing the journey.

### CHILDREN AND INFANTS

An infant under two accompanied by an adult, and not occupying a seat, is charged 10 per cent of the normal First, Tourist or Economy Class fare. Additional infants under two accompanying the same adult, an infant under two occupying a separate seat, and children of two years and over, who have not yet reached their twelfth birthday, are charged 50 per cent of the normal First, Tourist or Economy Class adult fare. Age is taken at the beginning of the outward journey.

### PASSPORT, IMMIGRATION AND HEALTH REGULATIONS

Any E.A.A. or Travel Agents' office will gladly advise you of the requirements of your journey.

### BAGGAGE

For each adult and child paying half the adult fare, the free allowance on First Class services is 30 kilos (66 lbs.) and on Tourist or Economy Class services it is 20 kilos (44 lbs.). There is no free allowance for an infant carried at 10% of the adult fare, but infant's food for consumption en route and an infant's carrying basket may be carried free.

However, when First Class fare has been paid and a Tourist Class service is used as part of a through journey, the First Class baggage allowance may be carried over that sector, without additional charge. Certain personal articles may be carried free, and details of these may be obtained from any E.A.A. or Travel Agents' Office. Brief cases, cabin bags, attache cases, parcels, typewriters and heavy cameras are weighed as part of your free allowance. If this is exceeded you become liable to excess charges.

Details of excess baggage charges and excess value charges (valuable baggage) can be obtained from any E.A.A. or Travel Agents' office.

### YOUR DEPARTURE

It is essential to attend at the departure terminal or airport not later than the time advised. This allows the minimum time to complete all formalities. Flights cannot be delayed for passengers arriving late and we cannot accept responsibility in such cases.

Attendance times should always be checked prior to departure date. These times vary according to the type of aircraft and according to the distance between Town Terminal and Airport.

### CANCELLATIONS

Passengers who do not travel on the service for which they hold a reservation, and who have not cancelled in advance, are liable to payment of a "no-show" charge. Refund of fare for reservations cancelled or transferred at short notice cannot be guaranteed.
