PASSENGER INFORMATION

Your ticket and conditions of contract. Your ticket is issued subject to these Regulations and to our General Conditions of Carriage of Passengers and Baggage. These conditions are available in all EAA offices and extracts can be found in your ticket.

Return and onward bookings. You are requested to check your return journey and onward reservation as soon as possible after your arrival at destination or transfer point, particularly airport reporting and departure times.

Stopovers. You may break your journey at one or more places en route and retain the benefit of the throughfare, except where precluded by Government regulations, or on some Excursion Fares, provided notice is given before commencing the journey.

Children and infants. An infant under two accompanied by an adult and not occupying a seat, is charged 10 per cent of the normal First, Tourist or Economy Class fare. Additional infants under two accompanying the same adult, an infant under two occupying a separate seat, and children of two years and over, who have not yet reached their twelfth birthday, are charged 50 per cent of the normal First, Tourist or Economy Class adult fare. Age is taken at the beginning of the outward journey.

Passport, Immigration and Health regulations. Any EAA or Travel Agents' office will gladly advise you of the requirements for your journey.

Baggage. The FREE ALLOWANCE for each adult and each child paying half fare is:-
FIRST CLASS 30 Kilos (66 lbs)
ECONOMY CLASS 20 Kilos (44 lbs)

There is no free allowance for an infant carried at 10% of the adult fare, but infant's food for consumption en route and an infant's carrying basket are carried free.

Certain items such as brief cases, cabin bags, typewriters, ladies vanity cases, heavy cameras and parcels may be carried as cabin baggage in the aircraft, but these items must be weighed and have to be included in the free baggage allowance.

In addition to the free allowance, the following may be carried free of charge: a lady's small handbag, an overcoat, wrap or blanket, an umbrella or walking stick, a small camera, a pair of binoculars, and a reasonable amount of reading matter for the flight.

Latest Check-In Times. Passengers must arrive at the airport early enough for all formalities to be completed. On your ticket you will find the Latest Check-In Time, this is the time by which passengers must have presented themselves and their baggage at the airline desk and have been accepted for the flight. Latest Check-In Times should always be checked prior to departure date. These times vary according to the type of aircraft

and whether the journey is to a domestic or international destination.

Cancellations. Passengers who do not travel on the service for which they hold a reservation, and who have not cancelled in advance, are liable to payment of a "no-show" charge. Refund of fare for reservations cancelled or transferred at short notice cannot be guaranteed.

Recommendations

See your EAA - APPOINTED TRAVEL AGENT. He is there to help and offer you complete trip planning advice at no extra cost.

Let us know your contact address or telephone number up to departure time.

Save money by purchasing all tickets for your journey before departure. Book your hotel accommodation at destination well in advance and check if accommodation will be provided at transfer points.

Essential articles needed during flight should be packed in a small cabin bag. All other baggage will be checked by the airline, and not be available during flight or at intermediate stops.

Always carry your passport, health certificates, valuables and currency with you, not in your baggage.

Check the "Message Board" on arrival. If friends are meeting you, give them your flight number.

The information contained in this Timetable is subject to alteration without notice. All times shown are local times.
